MANUFACTURER'S DECLARATION

ON COMPLIANCE WITH REACH REQUIREMENTS AND REGULATION (EU) 2023/1464

Manufacturer:
Saint-Gobain Construction Products CZ a.s.
Smrckova 2485/4, 180 00 Prague 8
Company ID: 25029673

It declares that

the construction products manufactured or placed on the market by Saint-Gobain Construction Products CZ a.s., marketed for example under the Rigips, Isover, or Weber brands, are intended for indoor use.

are compliant

with the requirements of Regulation (EC) No 1907/2006 of the European Parliament and of the Council (REACH), as amended, and Commission Regulation (EU) 2023/1464 of 14 July 2023 amending Annex XVII to the REACH Regulation in force from 6.8.2026 as regards formaldehyde and formaldehyde releasing substances.

The manufacturer confirms that, under the conditions of use envisaged for the products in question**, formaldehyde emissions do not exceed the limits** set out in Annex XVII to the REACH Regulation, entry 77, or that the products are covered by one of the exemptions specified in this legislation. Products intended for indoor use **do not exceed the formaldehyde emission limit of 0.08 mg/m^3.**

Compliance is verified on the basis of the results of tests carried out by accredited laboratories, the manufacturer's technical documentation, the manufacturer's quality management system and the control of the raw materials used and production processes.

The relevant documentation is archived by the manufacturer and can be submitted to the competent supervisory authorities upon request.

This declaration does not replace the Declaration of Performance (DoP) issued under Regulation (EU) No 305/2011 and Regulation (EU) 2024/3110 (CPR) respectively, but serves as a separate confirmation of compliance with the REACH requirements for formaldehyde and formaldehyde releasing substances.
